The Young ME Sufferers Trust

Registered charity 1080985

The Trust gives vital support to children with ME and their families. ME is a serious neurological disease that can cause long-term disability. 25,000 British children are thought to suffer from it; many are in great pain unrelieved by drugs, and may also be partially paralysed. Thank you for helping us to support these very sick children.

giftaid it

If you are an adult paying UK tax, Gift Aid can make your donation worth more. For every pound you give to us, we get an extra 28 pence from the Inland Revenue. Just tick the box. You must be paying tax on at least as much income or capital gains as you are donating.
